

Transport to the city for air travelers

From Arlanda

The fastest way into Stockholm is the ARLANDA EXPRESS. Upon arrival just go straight out towards Vasagatan. The Adlon Hotell is located on the left-hand corner on the other side of Vasagatan at Vasagatan 42.

A less expensive alternative is FLYGBUSSARNA (Airport busses). These stop outside the arrivals hall and go directly to the CITYTERMINALEN near the Adlon Hotell. At the CITYTERMINALEN, the closest footpath is to walk back towards KUNGSBRON. At Kungsbron/Kungsgatan, go straight down to the intersection with Vasagatan. The Adlon Hotel is located on the other side of Vasagatan at Vasagatan 42, in the right-hand corner.

A TAXI is the least expensive alternative if there are at least 3 full-price travelers. Always ask for a fixed price to Stockholm when taking a taxi. Select a taxi with the help of a Taxi coordinator outside the arrivals hall at Arlanda. Please observe that both Arlanda Express and Flygbussarna have advantageous child discounts and also good seasonal offers.
